

Waimea Men's Shed

Newsletter

May

2013

This newsletter has two functions.

The first is to notify you all of the fact that the **AGM** will be held on May 25th at the Waimea Men's Shed (as previously advised) but the starting time has been shifted to 2pm. The evenings are drawing in and many of the older members do not wish to stand around in the late afternoon in a cold workshop while the club business is transacted.

The committee hopes that you will all agree with this change and turn up in sufficient numbers to make a quorum (40% of eligible members).

The business to be transacted at this **AGM** is primarily the election of the officers to whom we delegate the task of running the shed during the next year.

The committee has received the following nominations:

- Chairman John Rogers
- Vice Chairman Fred Stade
- Secretary John Sowman
- Treasurer Marty Price
- Shed Coordinator Alan Kissell
- Committee

Ian Clark
Greg Goessi
Terry Garside
Bruce Rudge
David Kissell
Philip Chapman*

Mike Hislop (Web site design and maintenance)

*Yet to sign his acceptance.

Since the number nominated matches the requirements of the constitution the club can (if they so wish) approve these men as the committee for the 2013/14 year.

Cheers

John Rogers

Chairman
